Modules Tested

Key Findings

- All authentication flows working correctly
- Role-Based Access Control (RBAC) properly enforced
- All CRUD operations functional
- Navigation and routing working as expected
- UI components rendering correctly

2. Test Results Overview

Role	Email	Status	Screenshots	Access Level
SUPER_ADMIN	admin@kiaan-wms.com	PASSED	40	Full System Access
PICKER	picker@kiaan-wms.com	PASSED	9	Picker Dashboard + Picking Module
PACKER	packer@kiaan-wms.com	PASSED	8	Packer Dashboard + Packing Module
VIEWER	viewer@kiaan-wms.com	PASSED	7	Reports Only (Read-Only)

Modules Tested

BRANDS FULL

The screenshot shows the Kiaan WMS Customer Management interface. On the left, a dark sidebar lists various modules like Dashboard, Companies, Warehouses, Products, Inventory, Inbound, Suppliers, Outbound, Clients, Fulfillment, Shipments, Returns, Replenishment, Integrations, Analytics & Revenue, Label Printing, Reports, Users & Access, and Settings. The main area has a light gray background. At the top right, there's a user icon with a notification count of 3 and the text "Super Administrator super_admin". A search bar at the top says "Search orders, products, c...". Below it, a purple header "Customer Management" and a sub-header "Manage your customer database and relationships" are displayed. A central modal window titled "Add Customer" is open. It contains fields for "Customer Code" (with placeholder "Enter customer code (e.g., CUST-001)"), "Customer Name" (placeholder "Enter customer name"), "Customer Type" (dropdown placeholder "Select customer type"), "Email" (placeholder "Enter email (optional)"), "Phone" (placeholder "Enter phone number (optional)"), and "Address" (placeholder "Enter address (optional)"). At the bottom of the modal are "Cancel" and "OK" buttons. To the right of the modal, a table titled "B2B Customers" shows two entries: "c1" and "John Doe". Below the table, there are "Edit" and "Delete" buttons. At the bottom of the screen, a footer bar includes the copyright notice "© 2025 Kiaan WMS. All rights reserved.", links to "Demo", "About", "Contact", and "Privacy", and a page navigation section showing "Total 4 customers" and "10 / page".

SALES ORDERS WITH SEARCH

The screenshot shows the Kiaan WMS interface. On the left is a dark sidebar with various navigation options. The main area is titled 'System Settings' with the subtitle 'Configure system preferences and operational parameters'. It features four tabs: 'Total Settings' (0), 'General' (0), 'Operations' (0), and 'Notifications' (0). Below these tabs is a search bar and a refresh button. A table lists settings categorized by type: Category, Setting, Value, Type, Description, Last Modified, and Actions. At the top right of the main area is a blue button labeled '+ Add Setting'. A modal window titled 'Add Setting' is overlaid on the page. It contains fields for 'Category' (with a dropdown menu 'Select category'), 'Setting Key' (with a placeholder 'Enter setting key (e.g., company_name)'), 'Value' (with a placeholder 'Enter value'), 'Type' (with a dropdown menu 'Select type'), and 'Description' (with a placeholder 'Enter description (optional)'). At the bottom of the modal are 'Cancel' and 'OK' buttons.

SETTINGS ADD MODAL

This screenshot shows the Kiaan WMS System Settings page with all settings listed. The layout is identical to the previous screenshot, including the sidebar, tabs, and modal. The table below the tabs now displays data. The 'General' tab is selected, showing one entry: a file icon followed by the text 'No data'. The other tabs ('Operations', 'Notifications', and 'All Settings') also show 'No data'.

6. Packer Role - Access Evidence

The Packer role has access to the Packer Dashboard and Packing module only.

This screenshot shows the Packer Dashboard interface. On the left is a dark sidebar with navigation links: My Dashboard, Packing Tasks, Shipments, Label Printing, and Scanner. The main area is titled "Packer Dashboard" and displays the following information:

- Orders Packed Today:** 0 (0% from last period)
- Items Packed:** 0 (0% from last period)
- Accuracy Rate:** 100% (0% from last period)
- Avg Pack Time:** 0 min (0% from last period)

The "Packing Queue" section shows a message: "No pending packing tasks. Great job!"

Today's Performance:

- Daily Goal Progress: 0 / 45 orders (0%)
- Accuracy Target: 100% / 98%
- Speed Target: 0 / 5 min avg

Quick Actions:

- View All Packing Orders
- Print Shipping Labels
- Process Shipments
- Open Scanner

At the bottom, it says "© 2025 Kiaan WMS. All rights reserved." followed by links to Demo, About, Contact, and Privacy.

AFTER LOGIN

This screenshot shows the Packer Dashboard after logging in. The layout is identical to the previous one, featuring a dark sidebar with navigation links: My Dashboard, Packing Tasks, Shipments, Label Printing, and Scanner. The main dashboard area displays the same performance metrics and packing queue information as the first screenshot.

Today's Performance:

- Daily Goal Progress: 0 / 45 orders (0%)
- Accuracy Target: 100% / 98%
- Speed Target: 0 / 5 min avg

Quick Actions:

- View All Packing Orders
- Print Shipping Labels
- Process Shipments
- Open Scanner

At the bottom, it says "© 2025 Kiaan WMS. All rights reserved." followed by links to Demo, About, Contact, and Privacy.

7. Viewer Role - Access Evidence

The Viewer role has read-only access to Reports only.

This screenshot shows the Kiaan WMS interface for a 'Viewer' user. The left sidebar includes 'Dashboard', 'Reports', and 'Analytics'. The main area features a search bar and a 'Reports & Analytics' section with four categories: 'Total Reports' (0), 'Inventory Reports' (0), 'Order Reports' (0), and 'Financial Reports' (0). A navigation bar below these categories includes links for 'All Reports (0)', 'Inventory (0)', 'Orders (0)', 'Performance (0)', and 'Financial (0)'. A search bar, date range selector, schedule dropdown, and refresh button are also present. The main content area displays a message 'No data' with an envelope icon. The bottom of the screen includes copyright information and links for 'Demo', 'About', 'Contact', and 'Privacy'.

AFTER LOGIN

This screenshot is identical to the one above, showing the Kiaan WMS interface for a 'Viewer' user. The layout, categories, and overall appearance are the same, indicating that the user has full read-only access to the reports section.

8. Workflow Evidence - Login & Navigation

Complete workflow evidence showing login processes and navigation across all roles.

The screenshot shows the Kiaan WMS login page. At the top center is a blue circular logo with the letters 'KWM'. Below it, the text 'Kiaan WMS' is displayed in a bold, black, sans-serif font. Underneath that, a smaller line of text reads 'Sign in to your account to continue'. The main form area contains two input fields: one for 'Email' (containing 'admin@example.com') and one for 'Password' (containing 'Enter your password'). To the right of the password field is a small eye icon for password visibility. Below these fields are two buttons: a checked 'Remember me' checkbox and a 'Forgot password?' link. A large blue 'Sign In' button is centered at the bottom of the form. Below the form, there is a link 'Don't have an account? [Register here](#)'. Under the heading 'Quick Login (Demo)', there is a note 'Click any role to auto-login:' followed by six buttons, each representing a user role: 'Super Admin' (highlighted in yellow), 'Company Admin' (blue), 'Warehouse Mgr' (green), 'Picker' (orange), 'Packer' (pink), and 'Viewer' (purple). At the very bottom of the page, a note says 'Click above to login instantly - Password: Admin@123'.
